

HELP IS HERE!

Planet Spectrum Australia Professional Development Series for Educators

Professional Development and Training Sessions Now in GEELONG

After many requests and a super growth period we are excited to announce that we will be running Professional Development Sessions Customised for your school from our Workshop space in Point Lonsdale!

Topics Covered

Understanding Austim Spectrum Disorder.

How to work WITH Autism in the classroom and workspace

How to make inclusive lessons that cater for Autism

Tips and tools to understand and manage challenges and behaviours

How to support kids/families with Autism

The positive approach to Autism.

Customising your Lesson plans to be inclusive and to reduce your stress as a teacher and in the schooling environment.

Become an Autism friendly school !
